VOLUNTARY CURBSIDE RECYCLING SERVICE

Beginning July 1, 2014, the City of Adrian will be offering the next term for the bi-weekly collection of curbside recycling. This service will be available as a voluntary subscription service for all eligible city residents. The cost will be \$31.80 (\$2.65 per month) for the period from July 1, 2014 through June 30, 2015. Payments must be made in full in advance.

It should be noted that this cost of subscription service is based on maintaining a minimum of 500 subscribers, we currently have 860 subscribers.

Service for current subscribers will end on June 30, 2014 if a new subscription and payment is not received. Please contact us at 517-264-4866 if you wish to discontinue service to pick-up the bin.

All recyclable materials will be deposited in the same container, which is called “single stream” recycling. Acceptable material will include newspapers, magazines and cereal box-type paperboard; clear, green and brown glass bottles and jars, plastics #1 through #7, aluminum and steel cans; brown and white corrugated cardboard.

Each housing unit and apartment building of 4 units or less may subscribe to this service. As an example, if all 4 tenants in an apartment building desire the service, there will be 4 subscriptions and 4 containers provided. Commercial businesses, group homes, etc. are not eligible per City Ordinance.

If you desire this service please fill out the recycling subscription form and include your payment of \$31.80 for the 12 months of this service. Your payment will be returned if there are less than 500 subscribers. Please make your check payable to “City of Adrian” and return it to the City of Adrian at 135 E. Maumee Street, Adrian, MI 49221. This form and payment must be returned **no later than June 15, 2014** for the contractor to deliver to new subscribers.

After June 15, 2014 new subscribers can still receive service please contact the City for details, (517) 264-4866.

New subscribers will begin receiving service on July 1, 2014 for the north route (north of Maumee) and July 8, 2014 for the south route (south of Maumee).
